

# Pucker Powder® Candy Art

## Mega and Jumbo Prefilled Tube Free-standing Display Assembly Instructions

### Parts List

A.- 54" or 27" Tube Clear Tube Holder (1)

B. - Bottom Base Plate (1)

C. - Upper Ring (1)

D. - Fin Support (3)

E. - 1" Coarse Phillips Head Screw (6)

Tools required - phillips head screwdriver (not provided)

### Step 1.

Insert all Fin Supports (D.) into slots in Upper Ring (C.) until fully seated with bottom of Fin Support (D.) tabs facing up.

### Step 2.

Insert bottom tabs of Fin Supports (D.) into Bottom Base Plate (B.) tab slots until fully seated.

### Step 3.

Place screws (E.), through each of the predilled, holes in underside of Bottom Base Plate (B.) and screw into each Fin Support (D.) until fully seated and top of screw head is flush with base.

### Step 4.

Insert the open end of the Clear Tube Holder (A.) into the large Bottom Base Plate (B.) and through the Upper Ring (C.)

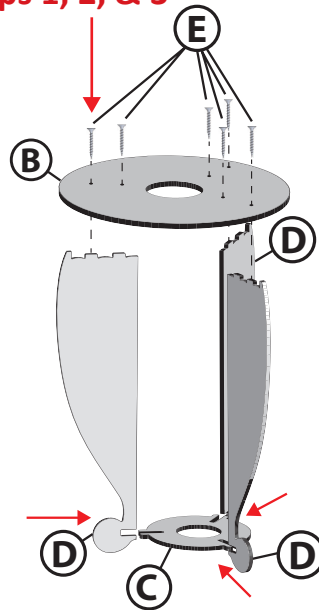

### Step 5.

Turn assembled base and tube holder right side up. Push the Assembled Base down until the Bottom Base Plate (B.) is firmly seated around the white tube cap plug at the bottom of the Clear Tube Holder (A.)

### Step 6.

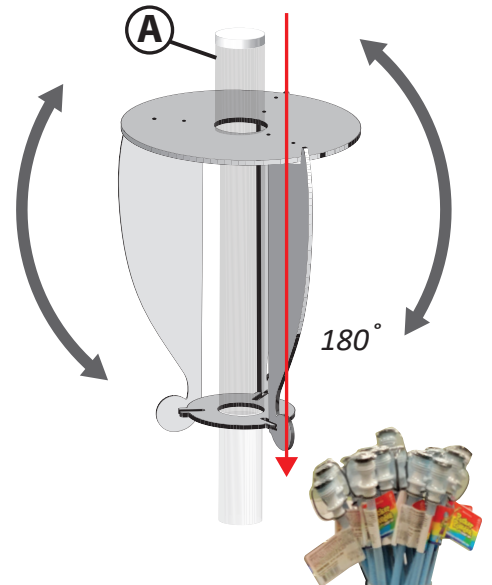

Fill with 25 Prefilled Mega or Jumbo Tubes depending upon your tube length. Restock product. DO NOT DISCARD
